

Chicken in the Pot

Sarge's Chicken in the Pot is the next best thing if you miss Bubbie's home cooking. We hope you try all of Our All time Favorites

Preparation and Storage Instructions

Soups: Our Soups including our famous "Chicken in the Pot" can be kept frozen for up to 3 to 6 months. Let the soup defrost overnight in the refrigerator. Our containers are Microwave oven safe. Heat the Soup in a microwave oven or on the stove top. To achieve the best taste heat slowly to the desired temperature. We recommend heating our soups on a stove top over a low to medium flame. Alternatively a Microwave oven can be used. If using a Microwave oven, place the container in a microwave safe bowl to catch any spillage. Remove lid partially and heat for 3 minutes on high, check soup for desired temperature, continue to heat in 1 minute intervals until desired temperature is achieved. Each quart of Matzo Ball Soup is shipped with an extra pint of broth for your enjoyment.

Optional: Add thin cooked egg noodles prior to serving. If you ordered our Split Pea Soup, we have included croutons on the side. Add to soup if desired when serving.

Storage: If you have purchased more product than you plan on using within several days of receiving it, separate into portion control sizes, wrap in plastic food wrap or shrink wrap and freeze. Once you are ready to use the product, allow it to thaw in the refrigerator for 24 hours, than follow instructions above.
